

## My Life, My Art Homework

Take a few SELF PORTRAITS of yourself, approximately 3-5 pictures. Take them yourself "selfie", or have a friend or family member shoot it for you.

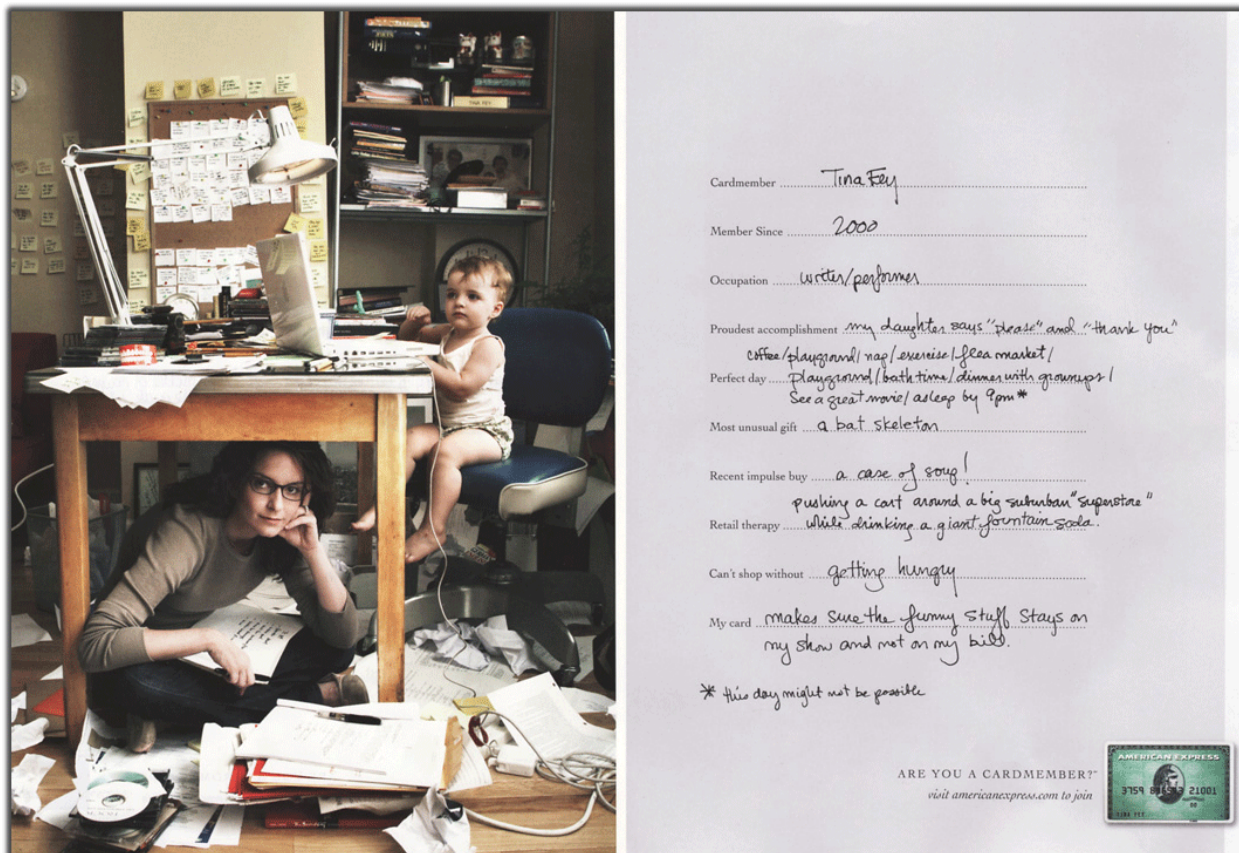

Your photo should be CANDID (Your photo should tell us something about you!)

- What are your interests or hobbies?
- What is an average day like for you?
- What do you do to hangout/relax?

Camera Options: Use any camera you have available, for this project a cell phone is permitted. If you have no camera available you may see me to sign out a class compact camera.

Bringing in your photo: Save to a USB Flash Drive, Save to Google Drive, E-mail to yourself.

\*Please do this BEFORE you come to class so we have enough time to edit the pictures together!
